Explanatory notes to the resolutions

Resolution 1 (report and accounts 2016)

The Tiziana Life Sciences plc reports and accounts are for the year ended 31 December 2016.

Resolution 2 (director seeking re-election following retirement by rotation)

Dr Kunwar Shailubhai

Dr. Shailubhai is a Co-Founder and Chief Scientific Officer of Synergy Pharmaceuticals, Inc., a NASDAQ-listed biotechnology company focusing on innovative therapeutics for treatment of GI disorders, diseases and colon cancer. Dr. Shailubhai has held leadership positions at Monsanto Life Sciences Company (St. Louis, MO), Callisto Pharmaceuticals, and Synergy Pharmaceuticals Inc. At Monsanto Company Dr. Shailubhai worked on a number of projects in inflammatory diseases and cancer, and eventually headed the cancer prevention group where he initiated research programs focusing on prevention of breast, prostate, and colon cancer in humans. He also initiated discovery projects to explore the therapeutic potential of uroguanylin, a physiological agonist of guanylate cyclase-C (GC-C), in GI disorders, diseases and colon cancer. These pioneering research efforts opened a novel avenue for therapeutic applications of uroguanylin and other GC-C agonists, not only in colon cancer but also in other GI diseases such as irritable bowel syndrome-constipation (IBS-C), chronic idiopathic constipation (CIC), and inflammatory bowel disease (IBD). Dr. Shailubhai discovered several other proprietary GC-C agonists as part of the development of Synergy's discovery portfolio. Dr. Shailubhai has 17 issued patents, several pending patent applications, and 40 research publications in journals of international repute. Dr. Shailubhai also holds joint appointments as Professor at Bharuch S. Blumberg Institute, Doylestown, PA and as an Adjunct Professor at Drexel University School of Medicine, Philadelphia. Dr. Shailubhai received his M.B.A. degree in 2002 from University of Missouri at St. Louis.

Resolution 3 (director seeking re-election following retirement by rotation)

Dr Riccardo Dalla-Favera is retiring as a director in rotation in accordance with the Company's Articles of Association and is seeking re-election to the Board.

Riccardo has provided key leadership to the cancer research community at Columbia University Medical Center, particularly in his roles as founding Director of the Institute for Cancer Genetics, and from 2005-2011, as Director of the Herbert Irving Comprehensive Cancer Center. As a researcher, he has contributed much of the current knowledge on the genetic lesions responsible for human B cell lymphoma. The molecular lesions identified by Riccardo have led to the development of diagnostic tests and are being tested as targets in clinical trials with lymphoma patients. His work is widely quoted in scientific publications and in medicine and oncology textbooks. Riccardo has been recognized with several national awards, including the 2006 William Dameshek Prize for Outstanding Contribution to Hematology from The American Society of Hematology. In 2011 he was elected to the Institute of Medicine of the National Academy of Sciences, USA.

Copies of the Directors' service contracts (or, where appropriate, letters of appointment) are available for inspection during normal business hours at the company's registered office on any business day, and will be available at the place where the AGM is being held from at least 15 minutes prior to, and during, the AGM.

Resolution 4 (appointment of auditor)

At each general meeting at which the accounts are laid before the members, the company is required to appoint an auditor to serve until the next such meeting.

It is proposed that Mazars LLP be appointed as the company's auditor.

Resolution 5 (remuneration of auditor)

Resolution 5 authorises the Board to determine the remuneration of the Company's auditors.

Resolution 6 (authority to allot shares)

At the Annual General Meeting held on 30 June 2016, the Directors were authorised, in accordance with section 551 of the 2006 Act, to allot Ordinary Shares, grant rights to subscribe or to convert any security into Ordinary Shares up to an aggregate nominal amount of £934,971.50. This authority expires at the conclusion of this Annual General Meeting. It is therefore proposed to revoke the existing authority and replace it with a new authority, granted under section 551 of the 2006 Act, which will allow the Directors to allot Ordinary Shares and to grant rights to subscribe for or to convert any securities into Ordinary Shares up to an aggregate nominal amount of £925,552 representing approximately one third of the Company's share capital and a further aggregate nominal amount of £925,552 representing approximately a further third of the Company's share capital, which will be available only for rights issues and other pre-emptive issues of equity shares.

The proposal that the authority to allot Ordinary Shares shall extend to a further third of the issued share capital is in accordance with the guidelines issued by the Investment Association ("IMA") which confine the use of this amount to rights issues only. It is customary to disapply statutory pre-emption rights in respect of rights issues, open offers or other pre-emptive issues, and substitute similar non-statutory provisions, for certain technical and other securities regulatory reasons which may impact rights issues in addition to the provisions of the 2016 Act, making the precise statutory rights difficult to apply in certain circumstances.

Assuming the passing of this Resolution, the new authorities will expire 15 months from the date of the passing of this Resolution or until the conclusion of the next annual general meeting, if earlier, and will revoke all previous authorities to the extent that they have not already been utilised apart from other specific authorities taken in respect of outstanding warrants and options which will continue unaffected.

Resolution 7 (disapplication of pre-emption rights)

Section 561 of the 2006 Act contains pre-emption rights that require all equity shares which it is proposed to allot for cash to be offered to existing Shareholders in proportion to existing shareholdings, unless a special resolution is passed to disapply such rights. Such rights do not apply

to an issue otherwise than for cash, such as an issue in consideration of an acquisition.

Subject to the passing of Resolution 6 and as noted therein, the proposed Resolution provides for the dis-application of statutory pre-emption rights for allotments of equity securities for cash, but limits this authority to the allotment of equity securities up to an aggregate nominal value of £925,552 (representing approximately one third of the

Company's share capital), provided that all allotments must be in the form of rights issues, open offers or other pre-emptive issues.

Further, the Directors believe that the statutory requirements are too restrictive and, it is proposed that, subject to the passing of Resolution 6, the Directors should be able to allot shares for cash otherwise than pursuant to rights issues, open offers or other pre-emptive issues etc. amounting to no more than an aggregate nominal amount of £560,922 representing approximately 20 per cent. of the Company's share capital.

The broadening of the proposed Resolution to include pre-emptive issues other than rights issues is a departure from the strict wording of the IMA guidelines which is limited to rights issues, which the Directors regard as too restrictive, especially as AIM companies normally make open offers and not rights issues. The above departures in Resolutions 6 and 7 from the strict wording of the IMA guidelines should not be taken to indicate that they are being disregarded, but rather that the proposed Resolutions are designed to provide greater flexibility for the Directors to determine the form of any future pre-emptive issues in the light of market conditions and practice, at the time such an issue may be proposed.

Additional information for those entitled to attend the AGM

- (1) Only holders of Ordinary Shares on the Register at close of business on 27 June 2017 (or, in the event of any adjournment, the date which is two days before the time of the adjourned meeting) are entitled to attend and/ or vote at the AGM. Such shareholders can vote in respect of the number of shares registered in their names at that time, but any subsequent changes to the Register shall be disregarded in determining rights to attend and vote.
- (2) To be admitted to the AGM, please bring your admittance pass or Notice of Availability card that you have received through the post. You will need to be able to confirm your name, address and unique investor code as it appears on the Register (which can be found on either your share certificate, dividend tax voucher or similar documentation as issued by the Company's registrar, Capita Asset Services (the "Registrar")).
- (3) Any shareholder attending the AGM has the right to ask questions. The company must cause to be answered any such question relating to the business being dealt with at the AGM, but no such answer need be given if (a) to do so would interfere unduly with the preparation for the AGM or involve the disclosure of confidential information, (b) the answer has already been given on the company's website (www.tizianalifesciences.com) in the form of an answer to a question, or (c) it is undesirable in the interests of the company or the good order of the AGM that the question be answered.
- (4) Any shareholder is entitled to appoint one or more proxies to exercise all or any of his/her rights to attend the AGM and to speak and act on his/her behalf. If you appoint more than one proxy, each proxy must be appointed to exercise the rights attached to a different share or shares held by you. A proxy need not be a shareholder of the company.

You can find a Form of Proxy to make an appointment, and give proxy instructions, on the company's website (www.tizianalifesciences.com) or you can request a copy from the Registrar at the address below. To be effective, the duly completed Form of Proxy, together with any power of attorney or other authority under which it is signed or a notarially certified copy of such power or authority, must reach the Company's registrar, Capita Asset Services at PXS 1, 34 Beckenham Road, Beckenham, Kent BR3 4ZF by 10.30 a.m. on 27 June 2017 (or not less than 48 hours before the time fixed for any adjourned AGM). Alternatively it can be submitted electronically via <https://www.signalshares.com> not later than 48 hours, excluding non-working days, before the time appointed for holding the AGM or in the case of a poll taken subsequently to the date of the AGM or any adjourned meeting, not less than 24 hours before the time appointed for the taking of the poll or for holding the adjourned meeting. Shareholders who intend to appoint more than one proxy can obtain additional Forms of Proxy from Capita Asset Services. Alternatively, the form provided may be photocopied prior to completion. The Forms of Proxy should be returned in the same envelope and each should indicate that it is one of more than one appointments being made.

If two or more valid but differing appointments of a proxy are received in respect of the same share for use at the same AGM, the appointment of proxy which is last received (regardless of its date or the date of its signature) shall be treated as replacing and revoking the others as regards that share; if the company is unable to

determine which was last received, none of them shall be treated as valid in respect of that share.

- (5) Unless voting instructions are indicated on the Form of Proxy, a proxy may vote or withhold his/her vote as he/she thinks fit on the resolutions or on any other business (including amendments to resolutions) which may come before the AGM. A vote withheld is not a vote in law and will not be counted in the calculation of the proportion of votes for or against a resolution.
- (6) If you are an ordinary shareholder and wish to attend the AGM, the return of the Form of Proxy will not prevent you from attending and voting in person. In the case of joint holders, any one holder may vote. If more than one holder is present at the AGM, only the vote of the senior will be accepted, seniority being determined by the order in which names appear on the Register.
- (7) A shareholder must inform the company in writing of any termination of the authority of a proxy.
- (8) CREST members who wish to appoint and/or give instructions to a proxy or proxies through the CREST electronic proxy appointment service may do so in accordance with the procedures described in the CREST manual (available by logging in at www.euroclear.com). In order for a proxy appointment made through CREST to be valid, the appropriate CREST message (a 'CREST Proxy Instruction') must be properly authenticated in accordance with Euroclear UK & Ireland Limited specifications and must contain the information required for such instructions, as described in the CREST manual. The message must be transmitted so as to be received by the issuer's agent (ID RA10) by the latest time(s) for receipt of proxy appointments as set out in note 4 above. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Application Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means. The company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

CREST personal members or other CREST sponsored members, and those CREST members who have appointed a service provider(s) should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed a voting service provider, to procure that his/her CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time.

In this connection, CREST members and, where applicable, their CREST sponsors or voting system provider are referred, in particular, to those sections of the CREST manual concerning practical limitations of the CREST system and timings.
